

## Gift of The Gods Cards

Gift of the Gods cards give you a unique edge in game. Each player builds a deck comprising of 20 cards with no more than two of any one named card in the deck. These cards are drawn at the start of each game turn and assigned to a non-**Host** model.

Below is the card listing for all the cards in the existing range. This list will be updated with each new card that is created and added, along with identifying any that banned from tournament play. Each card has rarity. **Common**, **Uncommon**, **Rare**, **Epic** & **Legendary**.

The table below shows the card name, what set it is from, rarity and status:
